ABOUT US

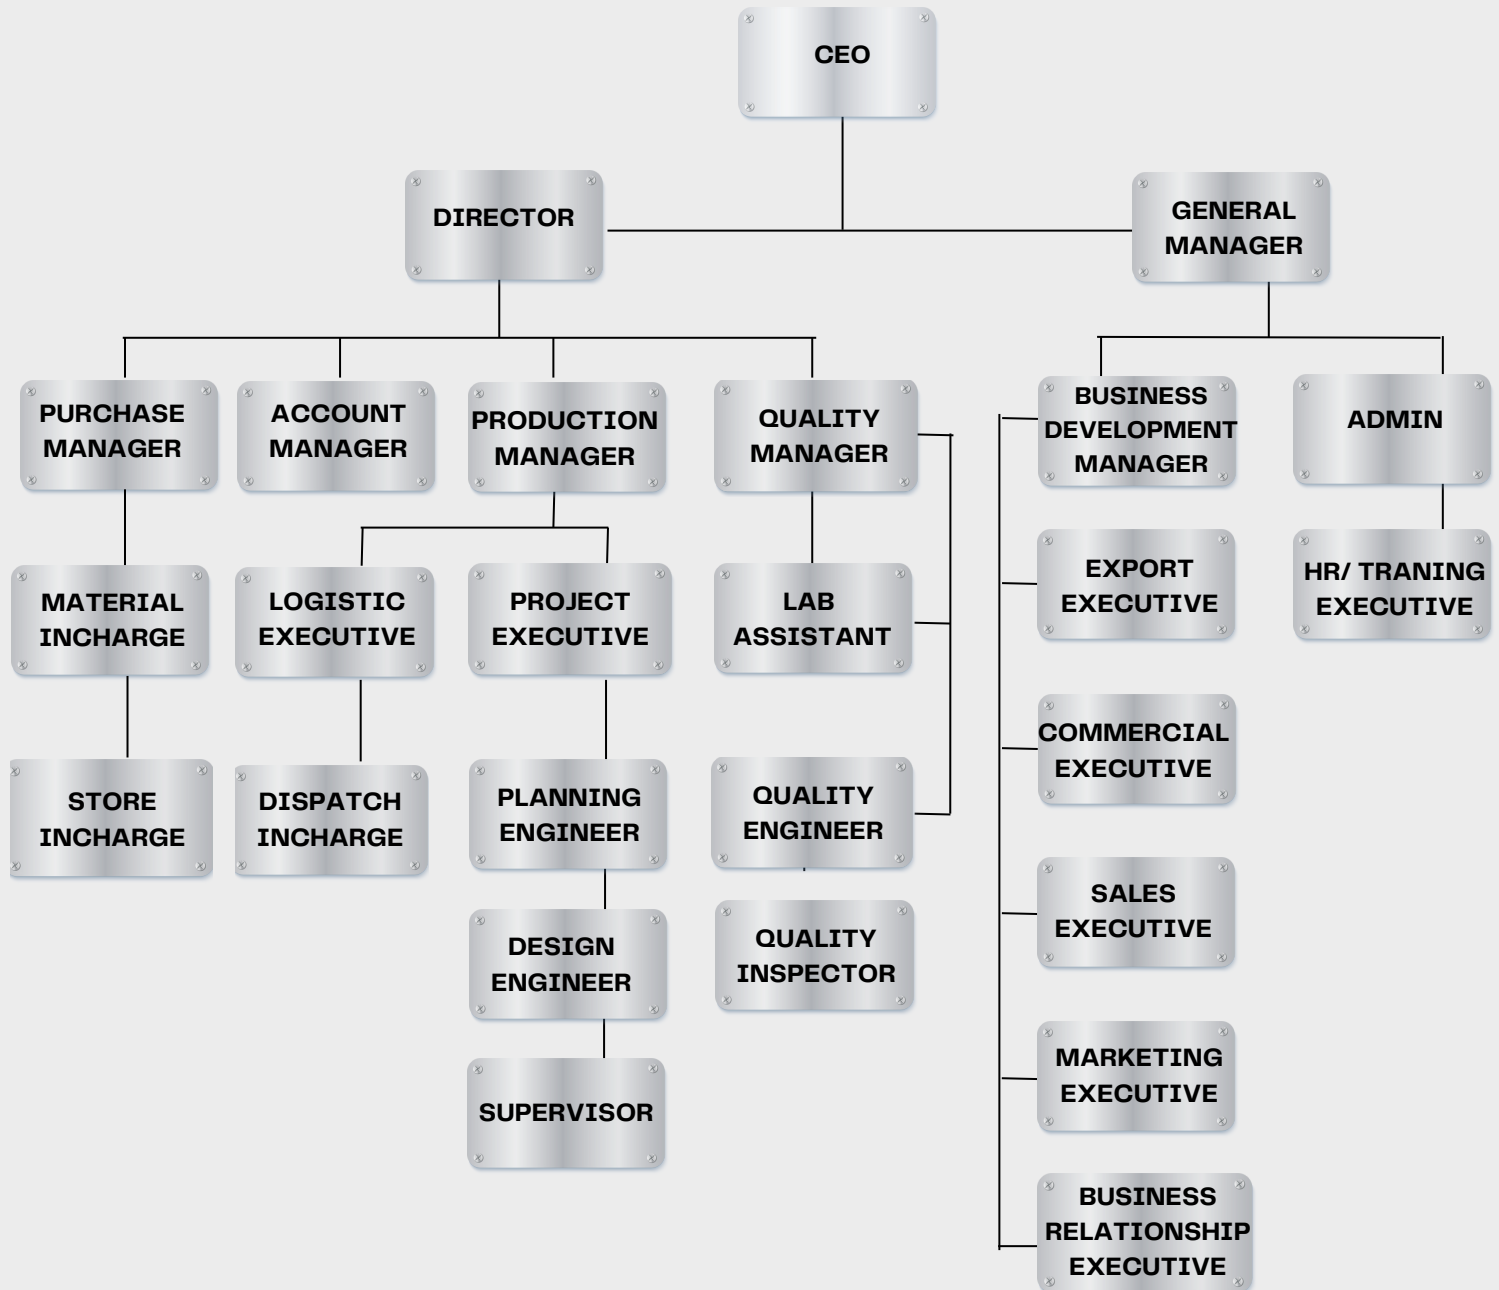

BE-LOK INSTRUMENT FITTINGS A fast-growing manufacturing company spread across an area of 5500 m² (Meters Squared). We are having experience and expertise with advanced technology in design, development and production of high-quality fittings and valves for Instrumentation, Hydraulic, Chemical Injection and Oil & Gas Applications.

We are having state of the art manufacturing facility. We use the Latest manufacturing technologies for highest precision and lowest tolerance. Our well-equipped Manufacturing and Testing facilities is most comprehensive, technically advanced and system oriented. We manufacture all our products in our own manufacturing facilities under strict quality assurance procedure. Our products are in line with international specification requirements in quality, safety, consistency and reliability apart from the competitive price. We ensure that our products are quality checked before being shipped to our clients' location.

We are recognised by International Quality Management Systems & Certified by ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, PED 2014/68/EU, ASTM F1387-19, Interchangeability Test Report, MSS-SP-99-2016a etc. As we are having 20% Market in Domestic Areas and have a 80% hold in international market.

ORGANIZATION CHART

WHY BE-LOK

AN ISO 9001:2015 CERTIFIED COMPANY

→ Why Choose Us

- ✓ An Eagle Eye for Perfection & Quality
- ✓ Best Solution for your industrial requirement
- ✓ Best Competitive Price
- ✓ Fastest & Committed Delivery Time
- ✓ Use Of current and innovative technology
- ✓ Catering to various industries
- ✓ Access to a variety of suppliers in terms of procuring raw materials

→ Our Principle

- ✓ We strive to be the best in our industry.
- ✓ We care about our customers, our suppliers, and partners.
- ✓ We do our absolute best to honor our commitments.
- ✓ We always act with integrity and fairness.
- ✓ Passion for Excellence & meeting CUSTOMER EXPECTATIONS at any cost.
- ✓ An Attitude to go that extra mile to DELIVER ON DEMAND.
- ✓ A casual & flexible approach in dealing without losing the seriousness of our COMMITMENTS

→ Our Goals

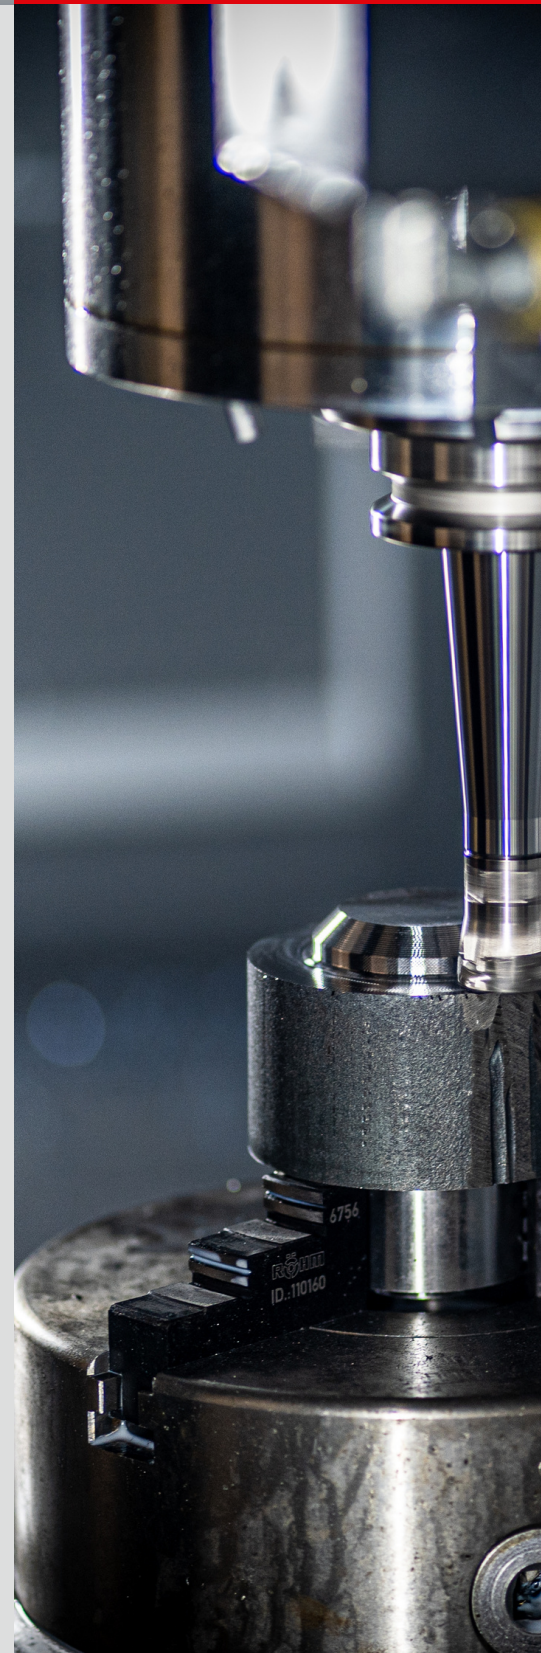

- ✓ Outstanding market positioning.
- ✓ Having the vision to be a Big Enterprise.
- ✓ Establish Global partners and collaborations.
- ✓ Continue business growth and networking.
- ✓ Respect and care for the environment with the use of sustainable products.
